# Leonardtwn Beacon Butterfly Trail

**On** July 11th a ribbon cutting was held to kick off the opening of the Butterfly Trail in Downtown Leonardtown. The trail encourages visitors to take a stroll around town to discover/Rediscover the beautiful sights that appeal to you personally! The recommended starting point is the Old Jail Museum and Visitor's Center. This newly opened visitors' information center holds a huge amount of history as well as a large selection of ideas of places to visit and things to do.

The beautiful Butterfly Trail brochure has a variety of reminders of all the fun and interesting sights around town. The Journey of the Butterfly has 10 clues to help you embark on your adventure to discover these delightful gems. Can you solve the clues? The Kids Caterpillar Corner has fun games to keep young ones entertained. The revival of the Historic Walking Tour is a 20-stop tour of the historic architecture of buildings downtown. The full brochure for this tour can be downloaded from the QR Code in the Trail brochure for additional information on these historic buildings. The brochure is also filled with tidbits of Leonardtown Lore throughout.

One of the unique things about the Butterfly Trail is the original artwork on display all along the trail by artist and Leonardtown resident Eric Clark Jackson. Eric's amazing banners and flags are one-of-a-kind designs of butterflies and caterpillars created with a process called batik. Batik is an Indonesian technique of wax-resistant dyeing applied to the whole cloth. Eric specializes in contemporary wildlife illustrations, landscapes, and large-scale collaborative installations. For more information on Eric and his art visit [www.Bayfibersstudio.com](http://www.Bayfibersstudio.com).

## Mayor's Message

What a wonderful spring and summer in Leonardtown this year. Being open for business again has been a breath of fresh air. Take a look around at all the new and exciting things happening in Town. The Inn at Leonardtown is finally open. What a tremendous asset to have this boutique hotel in Leonardtown. And with the Inn's opening the Leonardtown trolley has been making appearances around town as well. The Town and Visit St. Mary's are working with the trolley owner, to expand the trolleys presence in Town in the future.

We will be adding phase 2 of the Leonardtown Wharf slips in the next couple of months also. The next phase will add electric, water and a sewer pump out to the slips making visiting Leonardtown by boat even more attractive.

While we were sad to see Leonardtown Chevrolet leave downtown, as this was home to Bell Motor and Winegardner Automotive previously for almost 100 years, it is also an important turning point for further redevelopment of the downtown. With the approaching start to the Tudor Hall Village development, this block of land will become the entrance to the new 400-acre extension of Leonardtown. The Town is in the process of finalizing the land swaps through Department of Natural Resources that will ensure that the waterfront from Leonardtown Wharf to Port of Leonardtown Park will be open for public access and will promise a bright future for this wonderful town we call home.

## Local Effects of Ransomware Attack

As previously disclosed, the Leonardtown computer network was part of the Kaseya global ransomware attack that occurred on July 2, 2021. It has been reported to be the largest ransomware attack on record. The Leonardtown computer network is managed by a contracted service provider. The Kaseya software is what they use to manage the Town server and workstations.

The purpose of the attack was to encrypt Town data and render the server and workstations unusable until a ransom was paid to unlock and decrypt Town data. No ransom was paid by Leonardtown. The contracted service provider had full backups of Town data and was able to restore the network. The most significant disruption to Town operations was the delay of calculating and mailing the quarterly utility bills.

There are some customers that utilize the Town's online utility billing payment portal to make credit card and electronic check payments. Customers' primary account numbers do not reside on the Town's network. The payment portion of each transaction is handled by a third-party merchant processor that utilizes the highest level of encryption and tokenization to protect the cardholder's primary account number. During processing, the merchant processor replaces the primary account number with a "token". This minimizes the number of times the primary account number travels through the payment process. For customers that save their payment method on the portal, this "token" is saved to be used for future payments.

Although there is no evidence that the hackers wanted the Town's data for any other purpose, it is our recommendation that you periodically change your password used for the online payment portal and make sure this password is not used for any other online account you may utilize.

## Beach Party On The Square Canceled

The Commissioners of Leonardtown made the difficult decision to cancel this year's Beach Party on the Square. The Town Council followed developments closely and considered the updated guidelines. For current information about the Town's annual events, please visit: [VisitLeonardtwnMD.com/Events](http://VisitLeonardtwnMD.com/Events).

continued from front page

The importance of outdoor activity was never more apparent than over the last year and a half. Having a safe, walkable environment was key to all of our well-being. A number of additional projects are underway to enhance the Leonardtown outdoor experience.

A project to add Wayfinding Signage throughout the downtown corridor is underway. A recommendation of the 2019 Downtown Strategic Plan to help get rid of sign clutter and curate an easier visitor experience to find parking and off the beaten path sites. The bid to fabricate and install the new signage system was awarded to Beltway Striping and Traffic Control on August 9, 2021. The design is being finalized and the signs will be in shortly.

Another exciting outdoor project is LTOWN Alley. This important project will connect a majority of the Town public parking to Washington Street, Town Square, Fenwick Street and Park Avenue. The project will create a fun, inviting environment for small events as well as pedestrians just passing through from the parking.

The project includes burying utility lines, repaving two legs of the alley and creating two legs that are pedestrian only with brick paved surfaces. New lighting and many varied public art installations to showcase Southern Maryland's only Arts & Entertainment District. Three Public Art pieces within LTOWN Alley have been selected to move forward at this time; Where Art and Agriculture Meet by Jamie Naluai, Leonardtown History and Natural Outdoor Murals by a team of 10 North End Gallery artists and Alice in Leonardtown by Dan Ropp and Tom Rogers. Stay tuned and watch for these amazing art pieces to magically appear!

Additionally, outdoor dining has become an expectation at many of our great dining establishments in Town since Covid. The Town Council has been proactive in supporting these businesses and the public has responded very favorably. Many local residents that hadn't frequented Leonardtown businesses previously are now enjoying the outdoor seating. The seating also helps create the vibrant, active atmosphere that goes along with the recommendations from the Downtown Strategic Plan. All of these great projects will help add to the already "Exceptional Place" that Leonardtown is!

## PLANNING AND ZONING NEWS

### DID YOU KNOW?

The Town regulates abandoned vehicles. This ordinance pertains to any motor vehicle, trailer or semi-trailer, or water craft that

- Is inoperative and left unattended, or
- Has remained illegally on public or private property, or
- Has remained on public or private property and does not display valid registration plates registered to that vehicle.

The Town is cracking down on unregistered and/or illegally parked vehicles. Please be sure to maintain and keep your vehicles properly registered to avoid towing.

## REMINDER

All homes within Leonardtown **MUST** have their five (5) digit numeric address clearly posted. These 911 addresses help local first responders find you in the event of an emergency. It is imperative that all homes be clearly marked.

## NEW VIEW FIBERWORKS, LLC 10<sup>TH</sup> ANNIVERSARY

My, how time flies! New View FiberWorks, LLC, turned 10... yes 10 years old! Seems like only yesterday a group of seven women had the idea of offering their finely crafted fiber and soap products as part of the Craft Guild of St. Mary's County, only to take the leap of moving to the historic Leonardtown Square. On July 27, 2011, after much hard work, New View FiberWorks opened its doors (originally as Fuzzy Farmers Market) and as they say – the rest is history!

What started out as a small group of friends at New View FiberWorks offering our handmade scarves, shawls, mittens and rugs has grown into 20 women artisans and farmers offering a large array of unique products using both modern and old-world skills. Where else can you find tatted lace earrings, quilted table runners, intricately knitted lace shawls, as well as felted artwork and woven scarves from hand spun yarn?

Leonardtown has been so warm and gracious to us; not only our loyal customers whom we now consider friends, but our neighboring businesses as well. We've had visitors from all over the globe stop in and we love that our items have been so far flung around the world and it starts here in St. Mary's County.

We appreciate you all and hope you will stop in to celebrate with us so we may thank you for your support over the last 10 years and say Happy Anniversary!

Also, New View Fiberworks is partnering with the Town of Leonardtown to offer a series of innovative art classes for the Leonardtown Learn & Share online platform. The New View Fiberworks Learn & Share Series, funded in part by the St. Mary's County Arts Council, will offer FREE art classes taught by gallery member, Randee Hamblin. Randee will teach three classes on mixed media: Sewing with Paper (the class premiered on August 25th and is now available at: New View Fiberworks ([visitleonardtownmd.com](http://visitleonardtownmd.com)); Watercolor on Fabric (premieres on September 22nd); and Origami with Fabric (premieres on October 20th). For more information about the New View Fiberworks Learn & Share Classes visit: New View Fiberworks ([visitleonardtownmd.com](http://visitleonardtownmd.com)).

## FROG TOWN ICE CREAM

Frog Town Ice Cream is coming to the Leonardtown Wharf concession stand! The idea for the name of the ice cream shop came from an old 30's – 40's photograph. Frog Town will be serving a variety of Hershey's ice cream and some snacks. The hours of operation are Wednesday through Sunday from 1 PM – 9 PM. Come visit the Wharf for a nice cool treat!

## PATUXENT ADVENTURE CENTER

Bring the family down to the Leonardtown Wharf and enjoy your day on Breton Bay! When you're done having fun in the sun, head right up the hill and enjoy the rest of your evening in historic downtown Leonardtown. Or, start at McIntosh Run and take a leisurely paddle where you are bound to see all sorts of wildlife. Sip on a glass of wine at the Port of Leonardtown Winery to complete your adventure!

PAC Paddle Sports offers kayak & SUP rentals from three unique locations that showcase Southern Maryland's unique paddling scene, Leonardtown Wharf, McIntosh Run and Solomons Island. They also offer lessons, guided tours, and weekly social paddles. Off-site rentals are available with a reservation and an additional transportation fee.

The Leonardtown paddlesports locations are open 10:00 a.m. – 5:00 p.m. Wednesday – Sunday for paddlesports rental bookings just go straight to [www.pacpaddle.com](http://www.pacpaddle.com).

Patuxent Adventure Center's main shop in Solomons, MD is now open for bicycle and paddlesports sales and service. The new location is 13372 HG Trueman Road, in the Solomons Town Center in the former Pepper's Pet Pantry location.

## 3<sup>RD</sup> ANNUAL SCARECROW STROLL

Join in the fun and fill the Town with scarecrows! Scarecrows can be placed outside the front of your business or in your storefront window. If you have a business that doesn't have either of these or would like a spot in Town Square, please contact Jen Stotler for available placement. Call 301-247-7611 or email [leonardtownmaryland@gmail.com](mailto:leonardtownmaryland@gmail.com). Entries should be received by September 23rd. The contest will run from October 1st through October 24th. Winners will be announced on October 28th.

## DEPUTY'S CORNER

**INTERNET SAFETY** – With the changes in 2020 and 2021 everyone, young and old, are on the internet for hours and hours every single day. Parents need to be mindful of the "games" their children are playing. They are exposed to a lot of adult information at a young age. Adults pretend to be kids on "kids" games to get personal information/home addresses etc. and kids will talk to anyone and everyone is a stranger on the internet.

Check out <https://www.netsmartzkids.org/> for more tips.

And, remember **everything** posted on the internet/social media (snapchat/Insta/TikTok) is FOREVER.

**LIGHTING** – Lights are your friend. Install LED energy saving bulbs on the exterior of your homes. The "bad guys" like the dark so make your house/yard/shed/garage well lit. Motion activated lights are automated and will save you energy and money while protecting your home and family.

## DEEP SADNESS, LOSS OF TOWN COLLEAGUE AND FRIEND

It is with great sadness that we announce the passing of retired Corporal Peggy Smolarsky on July 20, 2021 after a hard-fought battle against cancer.

Peggy began her career with the St. Mary's County Sheriff's Office in April of 1999 as a deputy and retired in November of 2016. In 2009, she became the Town's Deputy and served in that capacity until

her retirement. Peggy had a distinguished career and served in several capacities while at the Sheriff's Office.

Laschelle McKay, Town Administrator, shared, "Peggy was an amazing community police officer and loved the Leonardtown community that embraced her. She fought a bold fight against cancer and used her experience to help others through her blog, Praying for Peggy. She is missed acutely by her family, friends and all that knew her. God speed beautiful soul."

## MATTINGLY SERVES ON BOARD

Council Vice President, Jay Mattingly was elected as an at large member to serve on the Maryland Municipal League (MML) Board of Directors in Annapolis.

The mission of the MML is to strengthen and support municipal government through advocacy and development of effective leadership. Jay ensures other municipal officials have access to education and information they need to provide the highest level of services to the residents of

Maryland's cities and towns. ***Congratulations, Jay!***
