

Leonardtown Streetscape Construction Update for September 2009

Corinthian Contractors together with the Maryland State Highway Administration will be printing this newsletter the first week of every month to keep the residents of Leonardtown informed about the construction work happening in their town. Work hours are from 7am to 5 pm, Monday thru Friday.

All work is weather permitting

Washington Street (from MD 5 intersection to Shadrick Street)

Construct brick retaining wall and stamped concrete island at u-turn.

Fenwick Street (from Washington Street to Camp Calvert Rd)

Start second phase - place drainage pipe, inlets, new guardrail, sidewalk and curb & gutter from Camp Calvert Rd to Washington St. intersection.

If you have any questions, please contact the SHA Project Engineer, **Greta Hartman**, at **301-997-1314**.
