

RESOLUTION 6 - 71

Upon motion duly made, duly seconded and carried, it was resolved by the Commissioners of Leonardtown, Maryland that the Sedimentation Control Ordinance that was adopted by the St. Mary's County Commissioners effective the first day of July, 1971 be hereby endorsed, ratified, confirmed and made a part of the ordinances now pertaining to the Town of Leonardtown. It is the intention hereof to fully incorporate and embody said ordinance into the applicable rules and regulations for this Town. Leonardtown, its residents and businesses, will be guided thereby and will comply therewith.

Resolution passed by the Commissioners of Leonardtown at its meeting held on August 9, 1971.
