

COMMISSIONERS OF LEONARDTOWN

WHEREAS, the 1984 General Assembly of the State of Maryland passed the Chesapeake Bay Critical Area Law, whose primary purpose is to foster more sensitive development activity for all land and water areas within one thousand (1,000) feet of the landward boundaries of State or private wetlands and the heads of tide as defined in Title A of the Natural Resources Article of the State Code.

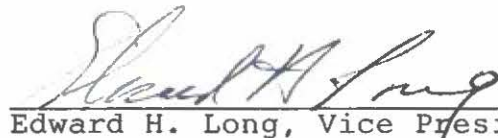

WHEREAS, the primary responsibility for developing and implementing Critical Area resource protection programs under the Act is given to local governments.

WHEREAS, the Chesapeake Bay Critical Area Commission has adopted standards and criteria that the local programs must meet.

NOW, THEREFORE, BE IT RESOLVED on this thirteenth day of October, 1987 that the Town Commissioners of Leonardtown authorize the transmittal of the Leonardtown Chesapeake Bay Critical Area Program to the Chesapeake Bay Critical Area Commission in conformance with the requirements established by that agency.
