DEFINITIONS

DWELLING - The dwelling house of one(1) or more homeowners and the lot or curtilage where the same is erected which is used as the principal residence of such homeowner or homeowners. No "dwelling" shall be deemed a principal residence which is not actually occupied or expected to be actually occupied by such homeowner or homeowners for more than six(6) months of some twelve-month period, including the date of application for credit. A homeowner or homeowners may claim credit on only one(1) such dwelling. A homeowner otherwise eligible for the tax credit if he does not actually reside in the dwelling for the required time period for reason of illness or need of special care may be qualified by the Town Administrator.

GROSS INCOME - The total gross income from all sources, **except social security payments**, including but not limited to gifts, and whether or not included in the definitions of gross income for federal or state income tax purposes.
